Boating with Mr. Johnston: A Survival Experience

Write 3 questions for Mr. Johnston about boating, sailing and survival. Use content vocabulary where appropriate. **You will be expected to ask AT LEAST one question.**

Do not ask a question that can be answered in one word like Yes/No or a number!

Bad question: Do you like sailing? ...Yes. Next question.

Good question: What is your favorite part about sailing?

1. How often do you get seasick on your boat?
How do you manage not to get seasick on your boat?

Answer: He has never been seasick.

2. Why do you enjoy sailing?

Answer: He likes to go where the wind takes him. The freedom of it.

3. How do you maintain your boat?

Answer: Using rudder + steering it... he hoses it off... scrubs w/ a brush, puts it under cover

What is the most memorable thing you learned from this presentation? (What stood out to you?)

He was one of the first to use cameras on his expedition.

Frank Hurley was the reason this expedition was so well known.

900 lbs on his boat.

Mr. Johnston's boat...	Shackleton's life boat...
Is made out of fiberglass + metal + wood	Is made out of wood + metal
Navigates with rudder / map / compass / phone	Navigates with sextant / map / stars / sun / Compass
Moves when rudder / sail / wind	Moves when paddle / muscles

Label the parts of the boat

The Poseidon, Mr. Johnston's sailboat

Labels for The Poseidon:

- mast
- sail
- jib
- hull
- deck
- rudder

The James Caird, one of the lifeboats on the Endurance

Labels for The James Caird:

- hull
- rudder
- rudder
